### **A superb pair of Minton Vase Hollandois**

A superb pair of Minton Vase Hollandois, after Sevres originals, very finely painted in coloured enamels with exotic birds in branches, flowers, fruits and musical trophies, within gilt bordered rectangular panels, on a bleu celeste ground, 6 5/8" high, circa 1873, crowned globe marks in gilt and impressed marks

The quality of these vases shows Minton at its very best, and they have survived in immaculate condition
